World's Largest Capacity

Our dishwashers offer loading capacity for up to 18 place settings and room for larger plates and taller glasses.

Quiet and Powerful

Your ASKO dishwasher is so silent, down to 39 dB(A) or (37 dB(A) with Night mode), that we had to design a convenient feature: the Status Light™.

More Steel, Less Plastic

No other material lasts as long as steel. And no other dishwashers have as many details made from steel instead of plastic as ASKO dishwashers. Designed to last 20 years!
